Dear Parents and Students,

The STAAR testing has been delayed due to a massive statewide system outage with Texas Education Agency (TEA). We have been in contact with TEA and they confirm the issue is with a contractor. Southside ISD will not be testing students today. We are postponing the test until tomorrow April 7, 2021. We will be communicating updates via the Southside ISD website at southsideisd.org and by campus principals. Remember we have incentives for testing, your child can take part in a district field day and be eligible for some special prizes. Thank you for your patience and understanding.
